In the event the puppy is injured, or killed, or if any circumstance requiring immediate action occurs and it is impractical for the Buyer to contact the Breeder the decision of the Buyer shall be binding on the Breeder. In the event of the puppies death the Buyer must notify the Breeder before the puppies body is disposed of, and an autopsy MUST be performed immediately uopn the puppies death at the expense of the Buyer.

3) That Buyer agrees to take the above mentioned puppy to his/her personal veterinarian, along with a stool sample, within three working calendar days of the signature date of this agreement to verify that said puppy is in good, sound health. If the veterinarian finds an unhealthy condition, said puppy may be returned to the

Breeders within 5 days of the signature date of this contract for a replacement with a remaining littermate, if available; or another puppy of comparable value from a future breeding, if available; or a full refund of the purchase price of \$1200.00.

4) The Buyer agrees to provide plenty of food, water, and shade so that this puppy is well cared for at all times. Also the Buyer will provide the necessary training, grooming, and socialization so that this puppy is well cared for and prepared, as much as is reasonably possible, for the show rings, and/or other competition.

5) That the Buyer agrees to have the puppy tattooed with the puppies' AKC number so that there is permanent identification done to the puppy before the puppy is one year of age.

6) That the Buyer agrees to make every reasonable effort to show the puppy in AKC, CKC, and/or other competition, to it's championship, and/or other titles. If a title cannot be achieved in a reasonable amount of time, or by a reasonable age, or by reasonable means, the Buyer will notify the Breeder and other options will be discussed. (i.e. breeding her to fill her out, hiring a handler, or spaying/neutering, etc.)

7) That before the Buyer decides to breed the above mentioned puppy, an AKC, CKC, and/or other title will be achieved, if possible. And the same clearances which were obtained for the Sire and Dam will be obtained for this puppy at twenty four months of age, and before breeding. If the above mentioned puppy is not able to obtain it's clearances, buyer agrees to neuter/spay the puppy before the age of two and a half years.

8) That the Buyer will notify the Breeder of which stud dog the Buyer has chosen and of the planned breeding date before the breeding has taken place. The Buyer will be responsible for all expenses incurred for all breedings, including shipping, stud fees, and all vet expenses.

9) That the Buyer agrees to ALWAYS sell the pet quality puppies on a spay/neuter contract with limited registration with AKC, and the show quality puppies on the Buyers show contract. The Buyer will also be responsible for maintaining the breeding records, litter records, and the spay/neuter contracts.

If the new home is a pet home the puppy will be spayed/neutered before being placed in the new home and a copy of the spay/neuter certificate will be provided to the Breeder. The new home will be expected to provide adequate food, water, shade, vet care, grooming, training, and a fenced yard so that the puppy is continually well cared for. Buyer may provide the new home with a copy of this contract for guidance.

12) If there is a theme name for this litter then the Breeders kennel name of "Sweetbreeze" will be used as the first word in this puppies AKC registered name

followed by the theme name of the Buyer's choosing. You are welcome to pick from a list provided of theme names, or choose a theme name of your liking. NOTE* (If there is no theme for this litter, however the Breeders kennel name of "Sweetbreeze" will still be used as the first word in this puppies AKC registered name).

13) This contract is void if any of the above conditions are a result of injury, neglect, or abuse. If the Breeder witnesses, or suspects, any neglect and/or abuse the Breeders will take immediate possession of the puppy and the Buyer will sign off on the ACK registration papers. The Breeder will be responsible for the AKC transfer fees.

14) The puppy will be registered, showing the new owners, with the American Kennel Club, (AKC), within one year of the whelp date. The AKC registration blue slip will be provided so a transfer of ownership may be accomplished by the new owners at the time the puppy is released to the Buyer at 8 weeks of age.

NOTE: AKC maintains information regarding the parentage and identity of this puppy. It does not guarantee the quality or health of this puppy, and it does not guarantee quality lineage. Since puppy pedigree registries depend in a large part on the honesty and accuracy of the persons registering the puppies, registration does not guarantee the accuracy of the lineage recorded, nor that this puppy is purebred.

That any additional terms or conditions are identified on a separate rider to this contract.

AFTER READING THE ABOVE TERMS AND CONDITIONS, WE FIND THEM MUTUALLY AGREEABLE AND LEGALLY BINDING.
